

**OHAFAIA BIBLE SEMINAR REPORT**  
**BY THE STATE CO-ORDINATOR BEREAN INT'L MIN.**  
**NIGERIA PASTOR IBEKWE IKECHUKWU**

**A DIVINE OPEN DOOR**

Great indeed was the breakthrough, another milestone, open door for the sound Bible truth to be presented to a large crowd. A history has been made. The city is Ohafia, Abia-north senatorial zone, Prof. Chinyere Onwubiko A humble pastor, with a most humble approach, took the center stage in a capacity filled Presbyterian Cathedral in Elu-Ohafia Abia State Nigeria, with great enthusiasm and absolute attention, they never wanted him to close the teaching. As the pastor began to unveil the revelation in Heb. 12:1-12 **"RUNNING THE RACE"**, at the end, people were asking, is this kind of teaching still in this world? Is this kind of pastor still in this world? God has truly opened a great door for sound doctrine to be presented to the lost soul and many enslaved in falsehood in that city. Our joy knew no bond as we watch with great excitement their joy, and jubilation that God has remembered their city. Brethren we are most grateful to God for your support in bringing down your pastor down to us, he has become a blessing to our churches, ministries and family. The Bible gifts, his spiritually enriching books the financial assistance, his fatherly council, which one shall we say and leave the other. Certainly, God will keep him alive, God will keep you alive too and bless you the more and more so that the gospel of his Dear Son will never suffer loss. Our visit to Ohafia with

a total of 450 pieces of each of the left over books used in Aba Bible Conference was like striking a honey-comb. As calls and text messages are increasing daily demanding for more books and Bibles, we are on our knees for the Lord to provide so that those longing for this truth shall be satisfied. We are grateful to Berean Bible Church, especially all who have contributed to our joy and fulfillment in life, God will never abandon you. We will not forget the pleasure of having our mummy accompanying our president in his trip. May our God strengthen her the more, in Jesus Name. Always in his Matchless grace.
